UPDATES:

Update: New Site Added (as of October 2022)

A new survey site beginning in 2020, North Point Beach (NPB), has been added to the list of available data for download. Refer to the downloadable IBSP_UAS_Footprint_Reference_Map.png or survey footprint shapefile for the survey extent of North Point Beach.

Update to Naming Convention (as of March 2022):

Prior to March 2022, the following Illinois Beach State Park survey sites were under different a naming convention: Site 1, Site 2, Site 3, Site 4, Site 5, Site 6. Presently, these sites are referred to as IBSP 1, IBSP 2, and so on. Swimming Beach and Park Office remain the same however the names have been abbreviated.

Additionally, file naming format has been updated. Previously, data files were named: Site_YYYYMMDD_datatype (e.g., Site1_20200101_DEM). As of March 2022, the file naming convention is YYYYMMDD_Site_datatype (e.g., 20220301_IBSP1_DEM).
