Digital cartography by Curtis C. Abert and Jennifer E. Carrell, Illinois State Geological Survey.

This map is a compilation of multiple preexisting data sets. The data sources may not have been reviewed by the ISGS for accuracy. Discrepancies may exist across state boundaries. Data resolution may vary across the map.

The Illinois State Geological Survey, the University of Illinois, and the State of Illinois make no guarantee, expressed or implied, regarding the correctness of the interpretations presented in this document and accept no liability for the consequences of decisions made by others on the basis of the information presented here. The geologic interpretations are based on data that may vary with respect to the accuracy of geographic location, the type and quantity of data available at each location, and the scientific and technical qualifications of the data sources.
